

Parent Teacher Meet

IBS Jaipur organized PTM on 15th October 2018 (for PG Programs) and on 2nd January 2019 (for UG Programs) to enhance the association and partnership with the guardians of our students. This was an attempt to bring the faculty members and guardians together to discuss and deliberate upon the academic and co-scholastic performance and allied development needs of students. The initiative was well taken and much appreciated by the parents.
