In the pursuance of initiative proposed by the Ministry of Education, Govt. of India- UBA Cell of the ICFAI University under guidance and supervision of Dr. Pratima Soni- PI Coordinator, UBA planned a peaceful and heartwarming visit to nearby old age home on the occasion of Youth Day on 12th Jan, 24. The team comprised faculties and students from all schools of the university. The purpose of this visit was to spend time with old age women and celebrate kite festival with them. The team reached the Old Age Centre at 2:00 P.M. and students & faculty members started having a chat with them, in which they discussed good memories, life-experience and tried to give them a feeling of belongingness for the moment. The team also promised them to come and visit again. Apart from them we also played some games with them and before going to celebrate the kite festival students danced with old aged women and happiness and joy only two things were there for that moment.

At 3:30 P.M. officials of the old age home assisted us to take old age women on the roofs for celebrating the kite festival. At 4:15 P.M. the team distributed snacks among all the women there and more than 150 faces looked happy and after that we said see-you soon to them and reached university by 4:45 P.M.
