“ICFAI TECH SCHOOL”

The ICFAI University, Jaipur

Web Development Workshop

A one day Web Development Workshop has been conducted by INDICIUM HUB, Jaipur for ITS students on 17th January, 2017. The goal of the workshop was to give a detailed knowledge about the web designing. Students created website using their choices of own domain name with the help of *hostinger.com* and *myfreenom.com*. In order to display contents on website, coding in HTML, CSS, JavaScript and PHP was taught.

Mr. Vikas Agarwal, Director, Indicium Hub and Mr. Avneesh Singh Jaat, Member, Indicium Hub guided the students for new technology that are useful in present software industries and these technologies could help them in their future career. Students from outside institutions also took part in this workshop.
