

Report on Workshop on “Acute Cardiac Complications & their Preliminary Management”

Date: 19th March, 2026

Time: 11.00 A.M. onwards

Venue: Seminar hall no. 016, The ICFAI University Jaipur

Organizing Unit: ICFAI School of Pharmaceutical Sciences, The ICFAI University Jaipur in Collaboration with Eternal Hospital (EHCC)

Objectives of the Program

- To provide knowledge about acute cardiac complications and their early management.
- To train students in basic life-saving techniques, especially CPR.
- To create awareness about heart health and preventive cardiology.
- To bridge the gap between theoretical learning and clinical practice.
- To enhance emergency response skills among students.

Under the visionary leadership and continuous encouragement of **Hon’ble Vice Chancellor Prof (Dr) H P Singh, VSM**, a workshop on “Acute Cardiac Complications & their Preliminary Management” was organized by the ICFAI School of Pharmaceutical Sciences, The ICFAI University Jaipur in Collaboration with Eternal Hospital (EHCC).

The event commenced with the arrival and warm welcome of the dignitaries by the **Prof. (Dr.) G.N. Sharma**, Principal, ICFAI School of Pharmaceutical Sciences, The ICFAI University Jaipur, followed by the traditional lamp lighting ceremony, symbolizing the dispelling of darkness and the ushering in of knowledge. The formal proceedings began with the Welcome Address delivered by Mr. Rohit Malik, setting a positive tone for the program. This was followed by the ceremonial presentation of saplings to the dignitaries as a mark of respect and sustainability.

Prof. (Dr.) R. Nesamoorthy, Hon’ble Registrar The ICFAI University, Jaipur, addressed the gathering and highlighted the critical importance of awareness and preparedness in managing cardiac emergencies. He also appreciated the commendable initiative undertaken by the department in organizing such a meaningful event.

The technical session began with a keynote lecture by **Dr. Somyata Somendra Sharma**, Consultant Cardiologist, who delivered an insightful and informative talk on heart health awareness. Her session emphasized lifestyle modifications, early diagnosis of cardiovascular

diseases, identification of risk factors, and effective preventive strategies, making it highly beneficial for the participants.

Following this, **Dr. Anil Kumar Sharma**, Senior Consultant and In-Charge, Critical Care, conducted an engaging and practical session on the management of cardiac complications. He also led a hands-on workshop on Cardiopulmonary Resuscitation (CPR), where students actively gained essential life-saving skills through demonstration.

The session concluded with a felicitation ceremony to honor the esteemed resource persons for their valuable contributions. A Vote of Thanks was delivered by Prof. (Dr.) Santosh Kumar Singh, who expressed sincere gratitude to the dignitaries, speakers, organizing committee, and participants for their support and contribution to the success of the event. The program concluded with the National Anthem, followed by a group photograph, marking the successful completion of the workshop.

Outcomes

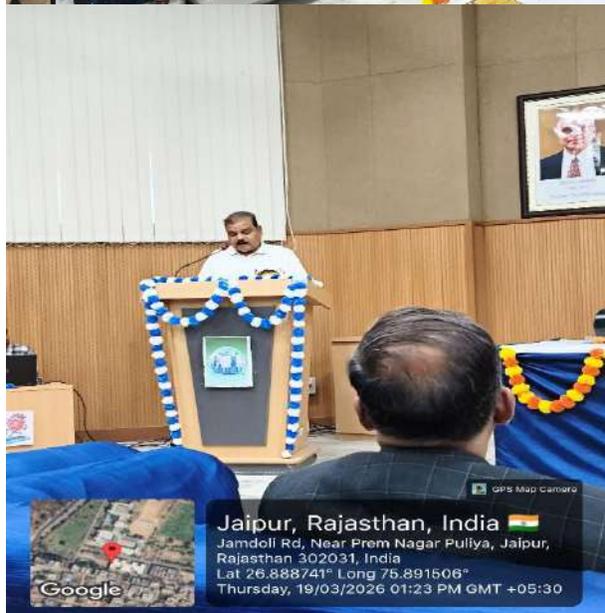

- Students gained practical knowledge of CPR and emergency life-saving techniques.
- Enhanced understanding of acute cardiac complications and their preliminary management.
- Increased awareness about cardiovascular health and preventive measures.
- Improved confidence among students to respond in medical emergencies.
- Strengthened collaboration between academic and healthcare institutions.
