Wall Street Simulation: A Virtual Trading Competition by Money Matrix Club

On **July 2, 2025**, the **Money Matrix Club of IBS Jaipur** organized an innovative and experiential learning event titled “**Wall Street Simulation**” in **Seminar Hall 016**. Powered by the **StockGro platform**, the competition replicated the dynamics of real stock markets, enabling students to gain hands-on trading experience in a safe, virtual environment.

Event Highlights

- **Theme:** Virtual Stock Market Trading
- **Duration:** 9:30 AM – 3:30 PM (Aligned with NSE Trading Hours)
- **Venue:** Seminar Hall 016 (Physical + Hybrid)
- **Participants:** Students from MBA Batch of 2026 actively participated using mobiles and laptops

Event Structure

1□ Welcome and Orientation

- The event began with a **welcome note** by **Gurpreet Singh Valecha (MBA 2026)**, followed by an introduction to the **StockGro platform** by **Chehak (MBA 2026)**.
- Students were guided through the login process and the mechanics of virtual trading.

2□ Trading Session

- Trading followed **NSE market hours**, beginning at 9:30 AM.
- Participants executed **buy/sell trades**, tracked price movements, and built strategies.
- Volunteers supported participants with technical queries throughout.

3□ Learning Interventions

- Organizers explained concepts like **scalping, short selling, and trading indicators**.
- Senior student traders shared **recommendations and strategies**, offering peer-learning opportunities.

4□ Leaderboard and Peer Sharing

- A **live leaderboard** created excitement and healthy competition.

- Top performers were invited to share their strategies, allowing participants to learn from different trading approaches.

5□ Results and Felicitation

- **Winner:** Mr. Mohit Patil
- **First Runner-Up:** Mr. Sagar Paira
- **Second Runner-Up:** Mr. Albin

Winners were felicitated at the close of the session.

6□ Closing Note

The event concluded with a **vote of thanks** by Gurpreet, appreciating the participants, volunteers, and the collaborative effort of the organizing team.

Learning Objectives

1. To provide **hands-on exposure** to stock market trading in a virtual environment.
2. To build **awareness of trading strategies, risk management, and indicators**.
3. To encourage **peer-to-peer learning** and practical financial literacy.
4. To help students understand **decision-making under real-time market pressure**.

Event Outcomes

- Students gained **practical exposure** to trading and market dynamics.
- They learned to **formulate trading strategies** and apply financial concepts.
- The event fostered **competitive learning and teamwork**.
- Participants developed awareness about **risk management, portfolio building, and investment tools**.
- The initiative successfully **sparked financial curiosity** among students.

Feedback Analysis

A structured feedback survey was conducted post-event to assess effectiveness.

1. Overall Experience

- **71.4%** rated it **Excellent**
- **21.4%** rated it **Good**
- **7.1%** rated it **Average**
✓Overwhelmingly positive reception.

2. Usefulness of StockGro Platform

- **52.4%** found it *Very Helpful*
- **38.1%** found it *Somewhat Helpful*
✓Platform proved highly effective, with minor scope for better guidance.

3. Clarity of Trading Concept Explanation

- **76.2%** rated it *Very Informative*
- **19%** rated it *Somewhat Informative*
✓Sessions were largely clear and insightful.

4. Volunteer and Team Support

- **69%** rated support as *Excellent*
- **26.2%** rated it *Good*
✓Strong appreciation for event coordination and guidance.

5. Difficulty Level

- Majority found it **Moderate**; some marked **Easy**, while a few found it **Challenging**.
✓Balanced difficulty level but beginners may benefit from extra guidance.

6. Technical Difficulties

- **59.5%** reported *No Issues*
- **33.3%** faced *Occasional Issues*
- **7.1%** faced *Frequent Issues*
✓Smooth execution overall with minimal disruptions.

7. Interest in Stock Market

- **83.3%** said *Yes, Definitely*
- **14.3%** said *It piqued their interest*
✓Event successfully increased curiosity in financial markets.

Conclusion

The **Wall Street Simulation** proved to be an **engaging, practical, and impactful event**, successfully introducing students to the world of trading. With enthusiastic participation, peer learning, and strong support from organizers, the event met its objectives of enhancing financial literacy and real-time decision-making.

The overwhelmingly positive feedback reflects the success of the initiative, while suggestions such as **more guidance for beginners** can help make future editions even stronger.
