| | |
|---|--|
| Date of Event: 24 th June, 2025 | Location: Nagarpalika Kanota, Kanota Village, Jaipur |
| Time: 11:30 A.M. to 12:15 P.M | Name of Event : Session on Handwash Practices and Basic Hygiene |

1. Objective:

- To educate rural students on the importance of hand hygiene and general health practices.
- To build awareness regarding disease prevention through daily hygiene routines.
- To foster a culture of cleanliness and self-care among youth in rural communities.
- To align with UBA's objective of holistic rural engagement with practical and life-improving interventions.

2. Detailed Report: - As part of the Unnat Bharat Abhiyan (UBA) outreach initiatives, the UBA Cell of The ICFAI University, Jaipur organized a session on 'Hand wash and Health Hygiene Education' at Government College, Kanota on 24th June 2025. The program was led by Mr. Vijit Singh from ICFAI Law School with an aim to inculcate essential hygiene awareness among rural students. The event took place at the college premises and focused on handwashing techniques, use of clean water, personal hygiene, and the impact of sanitation on overall health. Mr. Vijit Singh conducted the session with engaging demonstrations and interactive discussions. Students were enthusiastic and participated actively in the learning activities.

3. Participants: Different Aged children and youth from the village.

4. Time: 11:30 AM to 12:15 PM

5. Activities Conducted:

- Demonstration of proper handwashing techniques.
- Discussion on daily hygiene and its benefits.
- Interactive Q&A with students on health and cleanliness.
- Display and use of hand wash tools and containers.
- Motivational talk on self-care and wellness by Mr. Vijit Singh.

6. Outcomes of the Activity

- Students understood the importance of maintaining hygiene.
- Practical learning created better impact among participants.
- Strengthened health consciousness among rural youth.
- Encouraged regular practice of handwashing and cleanliness.
- Increased trust in UBA outreach by the village education community

7. Conclusion: The hygiene awareness session on Handwash was impactful and well-received by the students. The UBA Cell of The ICFAI University, Jaipur continues to commit itself to meaningful community service through education, health, and cultural awareness.
