

“THE VERDICT: 1st Intra Judgment Writing Competition”

Date: September 3, 2025

The Moot Court Committee, ICFAI Law School, The ICFAI University Jaipur, successfully organized the 1st Intra Judgment Writing Competition under the guidance of the Faculty Coordinator, Ms. Chhaya Sikarwar. The event witnessed enthusiastic participation from law students across all years of the law school, except the first year. A total of 47 teams registered for the competition.

The competition aimed to test the intellectual depth, reasoning ability, and judgment-writing skills of budding legal professionals. The theme of the competition was Criminal Law, which had been conveyed to the participants in advance. Unlike traditional moot competitions, participants were given their moot propositions on the spot. They were allotted 40 minutes to research and prepare their arguments, during which they were permitted to use their mobile phones. After the research time concluded, all phones were collected to ensure fairness and prevent malpractice, with participants allowed to rely only on bare acts thereafter. Following this, students were given an hour-long timer to write their judgments, applying their research, reasoning, and analytical skills under time-bound conditions.

The student's participation reflected remarkable enthusiasm, dedication, and competitive spirit. Each team put forth their best efforts, and the atmosphere remained intellectually vibrant throughout the event. The rounds witnessed intense engagement, highlighting the student's eagerness to learn, grow, and challenge themselves through this unique platform.

The event stood out for its innovative approach in promoting critical thinking, analytical skills, and precision in judgment writing. It not only challenged participants to think like judges but also prepared them to face real-world legal scenarios with confidence and competence.

The Moot Court Committee's efforts were widely appreciated for successfully hosting an event that enriched the academic experience of the participants and added yet another milestone to ICFAI Law School's legacy of excellence.

Here are some glimpses of the event:
