Ms. Hina Lala

M.Tech (CS), B.Tech (CS)
Assistant Professor

Ms. Hina Lala, M.Tech (CS), B.Tech (CS), is an Assistant Professor in the Department of Computer Science at ICFAI University, Jaipur. With 12 years of experience, she specializes in image processing, algorithms, and machine learning. Her expertise spans academic research and teaching, focusing on advanced computational techniques and their real-world applications. She has guided numerous students in developing machine learning models and optimizing algorithms for efficient processing. Passionate about innovation in AI and data science, Ms. Hina actively contributes to academic collaborations and research initiatives, aiming to bridge the gap between theoretical concepts and practical implementations in emerging technologies.
