Ms. Toshika Lata

PhD (Pursuing) MCA, BCA
Faculty Associate (Computer Science)

Ms. Toshika Lata is a Faculty Associate in the Department of Computer Science. She is currently pursuing her PhD and holds an MCA and BCA. With 1.5 years of industry experience, she brings practical knowledge to her academic role. Her primary areas of interest include Cyber Security and Programming Languages, where she actively engages in research and teaching. Passionate about advancing knowledge in these domains, she strives to bridge the gap between theoretical concepts and real-world applications. Through her dedication to academia, she aims to contribute to the evolving field of Computer Science while guiding students in their learning journey.
