Brief Details (about yourself):			
<p>Dear Sir ji,</p> <p>I have completed BCA and M.Sc. in Information Technology, and I bring over 6 years of hands-on experience working as a Lab Assistant in an academic environment. During this time, I have developed strong technical skills in system maintenance, lab management, and providing IT support to students and faculty. I am highly organized, detail-oriented, and passionate about supporting smooth technical operations in educational settings. I'm now looking to grow further in the IT field, where I can contribute my experience and continue to learn new technologies.</p> <p>Thank you so much.</p>
