

MS. DEEPIKA AHLAWAT
ASSISTANT PROFESSOR
ICFAI SCHOOL OF PHARMACEUTICAL SCIENCES
THE ICFAI UNIVERSITY, JAIPUR
Email: deepika.ahlawat@iujaipur.edu.in

Ms. Deepika Ahlawat is an accomplished academician and pharmaceutical professional with over seven years of diverse experience in research, clinical practice, and teaching. Her professional journey includes three years in research, two years in hospital pharmacy, and nearly four years in academics, enabling her to integrate scientific knowledge, clinical expertise, and pedagogical skills in her teaching approach.

Currently serving as an Assistant Professor at the ICFAI School of Pharmaceutical Sciences, Jaipur, she is actively engaged in undergraduate teaching and academic development. Her primary areas of interest are pharmaceuticals, novel drug delivery systems, and pharmaceutical research methodologies. She emphasizes critical thinking and practical learning, equipping students with both technical competence and professional readiness.

Ms. Ahlawat has made notable contributions to the pharmaceutical sciences through her publications in reputed peer-reviewed journals, authorship of book chapters, and patent filings in innovative drug delivery technologies. Her research is focused on developing advanced, patient-centric therapeutic solutions that enhance treatment outcomes.

With her dedication to education, research, and community engagement, Ms. Ahlawat continues to inspire and mentor the next generation of pharmacists, bridging the gap between academic knowledge and real-world application.
