

Name	:	Mr. Hakim Singh	
Designation	:	Lab Technician cum Store Keeper	
Qualification	:	B. Sc.	
Experience	:	6+ Year	

Mr. Hakim Singh has been an integral member of the ICFAI School of Pharmaceutical Sciences since its inception. Entrusted with the dual roles of Laboratory Technician and Store In-Charge, he has consistently demonstrated a high level of diligence, reliability, and technical proficiency.

With over six years of substantial experience in managing laboratory operations and institutional inventory, Mr. Singh has played a significant role in supporting both academic and operational functions. His contributions have been especially noteworthy during regulatory inspections conducted by the Pharmacy Council of India (PCI), where his meticulous attention to compliance, documentation, and standard operating procedures was instrumental in the successful completion of two PCI inspections up to the year 2025.

Beyond his core responsibilities, Mr. Singh actively contributes to the broader institutional ecosystem through his involvement in several key committees, including the Examination Committee, Discipline Committee, Sports Committee, and various event-organizing bodies. His proactive participation reflects a deep commitment to institutional development and a willingness to support diverse academic and extracurricular initiatives.

Mr. Singh's professionalism, organizational acumen, and collaborative spirit significantly enhance the efficiency and culture of the institution. He continues to be a valued asset to the ICFAI School of Pharmaceutical Sciences, The ICFAI University, Jaipur.
