### **ABOUT THE SEMINAR**

In general legal trend means a gradual and general development in the legal situation in dual ways i.e. in approach and in practice. Sustainability means meeting our own needs without compromising the ability of future generations to meet their own needs. We as a legal inquisitive people have observed in last few years the need to reform and amend the laws drawing great attentions. The situation and living standards are dynamic. So it is evident that the law should be more updated and appropriate. The subject matter of gender justice in the era of technologies and social media are topic of debate and concern.

In the light of above said purposes, ICFAI Law School, Jaipur proposes the Seminar on “Sustainable Legal Trends in Gender Equality: In the dimension of Technologies and Innovations”. It will explore the various dimensions to enhance knowledge pertaining to legal field. We invite students, research scholars, academicians and professionals to the seminar. The seminar will host researchers and academicians from across the country and promises an excellent platform for students, researchers, academicians and professionals to network within their community and related disciplines. We look forward to welcoming you to ICFAI University, Jaipur.
