The Literary Club of the ICFAI School of Liberal Arts (ISLA), The ICFAI University, Jaipur organised an Extempore Competition on November 22, 2023. The competition was organised to provide students with the opportunity to improve their communication skills and impromptu speaking skills, foster quick thinking even under pressure and boost confidence. In all rounds students were required to pick a chit from the bowl and speak on the topic. A time duration of one minute was given to students to prepare themselves and another one minute was given to express their views. The competition consisted of three rounds. The competition was so designed that all registered students participated in the first two rounds. The First round consisted of simpler topics which were personal in nature. In the second round, participants were provided the option to select a topic from one of the two categories: “Contemporary events” and “What if”.
