PATW 2023 University Round Result
Date: 03/04/2023

IET is conducting Present Around the World (PATW-2023),a global competition for young professionals, graduates, apprentices and students within engineering to develop and showcase their presentation skills, enhance their knowledge and make invaluable connections.

PATW Northern Regional Rounds:
Rules of PATW for presentation are as follows:-

- ➢ Individual participation is allowed.

- ➢ Participation in group(s) is not permitted.

- ➢ Presentation must be on any engineering topic across any disciplines.

- ➢ Presenter will be given 10 minutes to present his/her presentation will be followed by 5 minutes Q&A from the judges.

- ➢ Composition of Judges: University must ensure at least 03 judges in each panel, and all of them must be from heterogeneous departments/fields/Units.

- ➢ Judges must be serving academician or professional.

- ➢ Maximum 05 participants from each University/College will be allowed to proceed to the Northern Regional Rounds.

- ➢ The Winner of Northern Regional rounds will be participating in the South Asia Rounds.

- ➢ The subsequent winner of this round will processed to Global Finales of PATW at London, United Kingdom. (Tentatively Nov 2023).

Adhering to these rules, IcfaiTech Conducted the university paper presentation round on April 29, 2023 to shortlist best papers from the university and lead the winners to the further rounds. The event started with great enthusiasm among the participants. The papers were of divergent fields like- Artificial Intelligence and Machine learning, IOT, Data Mining, Cyber Security and Deep Learning. The participants gave a wonderful presentation and put their best foot forward to

present the research done in their respective fields. Judgment was based on parameters like- Novelty, Relevance to the topic, Defense against queries, Presentation .

Total 18 papers were submitted and presented for University Round. The winners of the event were:

First Position : Vishwas Gupta (BCA AI-3rd Yr)

Second Position : Ayush Bhosle (BCA AI-2nd Yr) & Khush Jhalani (BCA CS-2nd Yr)

Third Position : Rahul Sharma (B.Tech-3rd Year)

Honorable President of The ICFAI University, Jaipur motivated the students in the end by his kind words and also addressed the students to take part in such activities that leads them to guidance and feedback necessary for their work.

Winners of the university round will participate in Northern Regional Finale. Details of the rounds are given below:

Northern Regional Finale PATW:
Winner of this round will proceed to South Asia Rounds, and will be sponsored to visit Mumbai at IET's expense and participate in the South Asia Rounds schedule for July 2023(tentatively)
