On 18th May 2023, Dr. Pratima Soni (Assistant Professor, ICFAI Law School, and UBA Project Coordinator) along with Mr. Ashish Acharya (Faculty In-charge- Legal Aid & Pro Bono Committee, ILS) visited Kanota (CT) Village which will be adopted by The ICFAI University, Jaipur under 'Unnat Bharat Abhiyan' Scheme (hereinafter referred as UBA). For the same, the team departed from the University at 10:40 A.M.

The aim of this visit was to acquaint us with the present situation and major issues existing in the village which can be covered in the UBA Scheme and under the Legal Aid Cell of the ICFAI University, Jaipur.

In pursuant to the same, we met Mrs.Manju Devi, the Sarpanch of the village and interacted with her. The Panchayat Office was quite busy with the utility services as directed by the Government of Rajasthan. While discussing the relevant information in respect to UBA, we noted some important particulars which are necessary to get them updated on UBA and for our consideration also. We have also taken a glimpse of nearby schools and have planned to frame some suitable activities which will be beneficial for both villagers and as well as the learners of the ICFAI University, Jaipur.

The team returned to the University at 12:45 P.M.
