Report of IcfaiTech -Felicitation Program of MOOCs Certification

IcfaiTech, organized “IcfaiTech -felicitation program of MOOCs Certification” on Wednesday, April 27, 2022, 02:30 PM in Room No-016.

Importance of MOOCs certification courses:

A certification course speaks about the skills and talents of an individual in their professional subject area. It provides them official and public recognition and good employment opportunities. It also helps an individual to showcase their competency, commitment for the profession, build expertise in his professional subject area, and helps with job advancement

Being a responsible institution, The ICFAI University Jaipur, IcfaiTech keeps this learning spirit alive and realizes that we have an ample amount of such opportunities, in the form of MOOCs, to grow. IcfaiTech congratulates and wishes the very best of luck to everyone on the completion of different MOOC programs offered by globally recognized organizations

We absolutely cherish the fruits of everyone’s efforts and appreciate that more than 200+ certifications have been accomplished through various organizations like EC -Council, Fortinet , NPTEL, MathWork , National Cybercrime training center under ministry of Home affairs.

Prof. Dr. H.P. Singh VSM, President The ICFAI University was present in the event as guest. He addressed the event. Dr. A.K. Saini Associate Dean IcfaiTech welcomed the guest of the event with his best wishes to the participants.

More than 90+ participants from The IcfaiTech joined the event. The anchor of the event was Ms. Kumkum Bhati from BCA I year. A photo session was conducted with all the student for completion of different MOOC programs offered by globally recognized organizations.

The event ended successfully on 03:30 PM. Vote of thanks was given by Dr. Surbhi Jain at the end of the event.
