Report

Industrial Visit to R-CAT, Jaipur

An industrial visit for the students of B.Tech (CSE) - II, III & IV year was conducted by IcfaiTech at R-CAT (Rajiv Gandhi Centre for Advanced Technology) on November 23, 2022, the visit was organized for the students to gain insights into the robotics and automation industry operations and its relevant areas.

R-CAT is managed under the aegis of Department of Information Technology & Communication (DoIT&C), Government of Rajasthan (GoR).

R-CAT offers courses on cutting-edge and developing IT technology. Additionally, the center offers professional graduates in fields including BE/B.IT, BCA, MCA, MBA, and M.Sc. (IT) certification courses from leading tech companies like Oracle, VM-Ware, SAS, Red Hat, etc. with durations ranging from one week to six months. The targeted technologies include robotics, quantum computing, augmented reality, blockchain, big data analytics, and artificial intelligence and machine learning (AI-ML).

Faculty Coordinators :
Mr. Ashwini Mishra (Assistant Professor, IcfaiTech),
Dr. Jyotsana Verma (Assistant Professor, IcfaiTech),
Mr. Vishnu Barodiya (Assistant Professor, IcfaiTech) &
Mr. Heera Lal Chopra (Lab Assistant, IcfaiTech)

Student Coordinators :
Mr. Dhruv Sharma (B.Tech - Final year)
Mr. Vijay Choudhary (B.Tech - III year)
