

# IcfaiTech

## The ICFAI University, Jaipur-302031

Date: 11-02-2022

### Report of IcfaiTech Dialogues-Alumni Series-Big Impacts

IcfaiTech, organized Entrepreneurship Talk on Thursday, February 10, 2022, 04:30 PM IST. Invited Speakers of the event were Mr. Richard Foster-Fletcher Executive Chair at MKAI, Lecturer, Advisor and Author on Responsible Artificial Intelligence and Digital Trust. Second speaker was Dr. Odilia Coi Director of Innovation at MKAI, Author on Digital Trust.

Mr. Richard is passionate about asking questions to leading technologists, modern leaders, free thinkers and researchers that explore the choices and options available to design a better digital future with Artificial Intelligence.

He believes that it's vital that we have a digital future that works for everyone. Our next existential challenge is to design a fully circular economy that:

- 1.) Recognizes the intrinsic value of nature and leverages AI technologies to address urgent climate issues.
- 2.) Empowers diverse perspectives and leadership.
- 3.) Legislates artificial intelligence and social platforms to illuminate and not exploit human biases .
- 4.) Respects ownership of personal information and privacy.
- 5.) Enables equal access to digital platforms of creative contribution.
- 6) Promotes digital technologies and open data to support the UN Sustainable Development Goals.

His current work includes:

- CEO of NeuralPath.io, advising corporations on the disruptive influence of digital acceleration, economic transformation, open data and artificial intelligence
- Virtual Keynote Speaker on:
  - Artificial Intelligence trends
  - AI ethics and accountability
  - Avoiding corporate AI echo-Chambers
  - Building and deploying responsible AI
  - Creating a digital future that works for all of us
- Virtual Event Host: Chairing, hosting and leading events that discuss the risks, opportunities, benefits and dangers of AI

- Host of the podcast Boundless: Designing our Digital Future (www.boundlesspodcast.co.uk)
- Host of the MKAI AI Inclusive and Innovation Forums (www.mkai.org)

Prof. Dr. H.P. Singh VSM, President ICFAI University and Dr. Shweta Jain Dean IBS was presented in the event. Dr. A.K. Saini Associate Dean IcfaiTech welcomed the guest of the event with his best wishes to the participants.

More than 100 participants from The ICFAI University joined the event. The moderators of the event were Dr. Surbhi Jain and Dr. Manindra Trihotri. Students asked the questions related with the present scenario of the industries for carrier in AI. The questions were beautifully answered by the speakers.

The event ended successfully on 05:50 PM. Vote of thanks was given Dr. Surbhi Jain at the end of the talk.
