### **Celebration of “EVOKE” a tree plantation drive on 8<sup>th</sup> July 2022 at IU Jaipur**

Trees represent life, growth, peace and nature. They produce oxygen, clean soil, prevent drought, control flood related disasters, prevent soil erosion, improve physiological, mental and spiritual health, and also reduce carbon footprints.

“EVOKE” a tree plantation drive was celebrated by the faculty, staff and students of The ICFAI University, Jaipur on 8th July 2022 with great enthusiasm. Hon’ble President Prof (Dr) H P Singh VSM and Col Sanjiv Banerjee (Retd.), Registrar also participated in the celebration.

The plantation was undertaken in the area behind the main academic building. All academic and administrative staff members participated. All MBA students participated and planted trees in their respective hostel areas. In his address to the University, Hon’ble President mentioned that this year’s plantation will further improve the greenery and environment in the campus.
