Report of Cyber Cell and Abhay Command Center

IcfaiTech event

IcfaiTech, The ICFAI University Jaipur, organized an industrial visit for BCA Cyber Security students for their industrial exposure. This event aims to give practical knowledge of how to protect the system from cyber fraud and understand the working procedure of Cyber Cell and Abhay Command center by a cyber security expert from Govt of Rajasthan. During this visit, the cyber security students went for an industrial visit in the cyber cell of Jaipur and Abhay command training center. It was two days industrial visit where 50% of students went on the first day for the visit, and the rest of the students visited on the second day (09- 02-2023 and 10 -02-2023).

This industrial visit was coordinated by Akarsh Chaturvedi BCA (cyber security II-Year) and Shubham Sharma BCA (cyber security I-Year). The industrial visit was executed successfully.

The organizing committee of this visit: Mr. Bhanu Bhushan Parashar and Mr. Vishnu Barodiya (faculty members from CSE IcfaiTech Jaipur).

A Special thanks to Hon'ble President Professor Dr. HP Singh, VSM, for his constant Support and guidance.
